

Core Boost *information*

Overview:

The Core Boost IV Kit is designed to give you a powerful energy boost and enhance metabolism. Packed with Olympia Vita-Complex and Amino Blend, this treatment is ideal for those looking to revitalize their energy levels, improve athletic performance, and boost fat-burning.

Kit Contents:

Olympia Vita-Complex (30mL)

Amino Blend (30mL)

Possible Benefits of Olympia's Vita-Complex:

Helps reduce fatigue caused by dehydration.

Supports carbohydrate metabolism, improving mood and energy levels.

Reduces tension throughout the body for overall relaxation.

Possible Benefits of Amino Blend:

Enhances athletic performance and physical endurance.

Accelerates fat burning to support weight loss.

Improves metabolism, boosting energy production and efficiency.

If you're looking to jump-start your metabolism and recharge your energy levels, Core Boost is the ideal treatment. With its blend of Olympia Vita-Complex and Amino Blend, it's designed to enhance performance, burn fat more quickly, and keep you feeling energized throughout the day.
