

Core Recovery *information*

Overview:

The Core Recovery IV Kit is a specially formulated blend of essential vitamins and minerals designed to restore hydration, ease nausea, and replenish nutrients lost during drinking or physical activity. Perfect for hangovers or anyone in need of quick relief and renewal, this treatment will help you feel better, faster.

Kit Contents:

Ondansetron (1mg/mL) – 30mL

Olympia Vita-Complex – 30mL

Olympia Mineral Blend – 30mL

Possible Benefits of Ondansetron:

Helps reduce nausea and prevent vomiting.

Soothes upset stomachs, making it ideal for hangovers or recovery.

Possible Benefits of Olympia's Vita-Complex:

Reduces fatigue caused by dehydration.

Supports the body's response to stress and helps restore energy levels.

Possible Benefits of Olympia's Mineral Blend:

Contains essential electrolytes needed for hydration.

Supports fluid and electrolyte balance across cell membranes.

Aids in removing toxins and helps the body recover faster.

If you're looking for quick hydration, nausea relief, and renewal, Core Recovery is the ideal IV therapy. Whether it's a hangover or just a need for a refresh, this treatment provides the vital nutrients and hydration your body needs to bounce back.
