

Core Myers *information*

Overview:

The Core Myers IV Kit is a comprehensive wellness infusion designed to revitalize your body and support overall health. Packed with essential vitamins, minerals, and electrolytes, this treatment is ideal for those looking to boost their immunity, improve energy levels, and maintain a healthy lifestyle.

Kit Contents:

Magnesium Chloride

B-Complex Vitamins

Hydroxo B12

Calcium Gluconate

Ascorbic Acid (Vitamin C)

Possible Benefits of Magnesium Chloride:

Reduces fatigue, improves immunity, and promotes relaxation.

Supports muscle function and reduces muscle cramps.

Promotes general well-being and vitality.

Possible Benefits of B-Complex Vitamins:

Helps keep skin and blood cells healthy.

Supports nutrient conversion into energy, boosting overall vitality.

Improves cognitive function and mental clarity.

Possible Benefits of Hydroxo B12:

Promotes healthy brain function.

Supports blood health, nervous system, and red blood cell formation.

Helps with energy levels and reduces fatigue.

Possible Benefits of Calcium Gluconate:

Supports the health of bones, muscles, nerves, and cells.

Promotes the normal functioning of muscles and nerves.

Helps with the absorption of nutrients for improved overall health.

Possible Benefits of Ascorbic Acid (Vitamin C):

Acts as an antioxidant, protecting cells from free-radical damage.

Boosts immunity and helps the body absorb iron.

Promotes collagen formation for skin and joint health.

Core Myers is the ideal solution for anyone looking to improve overall wellness, boost energy levels, and maintain a healthy immune system. Packed with vitamins and minerals, this IV treatment provides a comprehensive solution for optimal health, ensuring your body has everything it needs to thrive.
