

Core Beauty *information*

Overview:

The Core Care Beauty IV Kit is designed to enhance the appearance and health of your skin, hair, and nails. Packed with essential nutrients, this IV treatment provides hydration and nourishment to your body from the inside out, helping you maintain glowing skin, stronger hair, and more vibrant nails.

Kit Contents:

Ascorbic Acid / Vitamin C (500mg/mL) – 30mL

Olympia Vita-Complex – 30mL

Biotin (0.5mg/mL) – 10mL x 3

Possible Benefits of Ascorbic Acid (Vitamin C):

Essential for collagen formation, which improves skin elasticity.

Antioxidant and anti-inflammatory properties that help reduce skin irritation, dark spots, and redness.

Boosts skin moisture, repairs damaged skin cells, and promotes new cell growth.

Possible Benefits of Olympia's Vita-Complex:

Reduces inflammation and limits signs of aging by increasing cellular regeneration.

Helps control blemishes and breakouts.

Provides hydration, leaving skin feeling revitalized and smooth.

Possible Benefits of Biotin:

Promotes the formation of collagen and keratin, essential for skin, hair, and nails.

Stimulates hair follicles for stronger hair growth.

Improves skin elasticity and reduces wrinkles, contributing to a youthful appearance.

This treatment is ideal for anyone looking to enhance their skin, hair, and nails with a nutrient-rich infusion. If you're seeking to rejuvenate your appearance, improve skin elasticity, and promote healthier hair, Core Care Beauty is the perfect solution to support your beauty from the inside out.
